

POLYSTYRENE (STYROFOAM™) PROHIBITED

No vendor may sell, distribute, use, or provide any polystyrene foodware, drinkware, coolers or packing material in the City of Burbank. The following items are prohibited under the Plastic Waste Reduction Ordinance:

- Produce trays
- Egg cartons
- Meat and fish trays
- Coolers
- Packing Materials
 - Foam peanuts
 - Packing peanuts
 - Packaging noodles
 - Foam popcorn

WHY?

Polystyrene is not recyclable and therefore ends up in the landfill, or even worse, as litter in waterways that flows to local beaches and the Pacific Ocean, leaching toxic chemicals and posing harm to all marine wildlife.
