

Candidate Statement

Hovanes Tonoyan

Submitted to City Clerk's Office: August 12, 2024

When you read this, we step closer to making history when I, Hovanes Tonoyan, earn one of your two votes to serve as your next city councilmember, the first ever of Armenian heritage.

It means the criminals who burned my house down failed to get rid of me, and instead, you the voter take back the power to preserve our community, with an exceptional leader who has seen it all for over a decade.

In Burbank, adversity and challenge only makes us stronger.

Remember, your vote is your power.

No issue is too difficult for us to solve. I know what it's like to lose everything and rebuild from nothing. That resilience earned me a Berkeley degree and a competitive career as a data analytics and cyber threat professional, protecting the magic right here in our community and around the globe.

Pro-Business, Pro-Housing, Pro-Family, Pro-Technology.

Anti-Crime, Anti-Corruption, Anti-Agenda, Anti-Division.

I offer a fresh slate, an open-door policy, a 4-year term dedicated to healing and empowering you, my fellow neighbor, instead of the criminals.

You will have a fighter, a protector, unapologetic, fearless, creative, who always puts Burbank first and criminals last.

Transform Burbank, Together.
