Action 1.5: Continue to provide monitoring of the racial and ethnic make-up of Section 8 voucher holders and waiting list by the Burbank Housing Authority, and provide applications in Spanish, English and Armenian. As the Housing Authority periodically opens the Section 8 wait list, continue focused marketing efforts to underrepresented groups.

**Fair Housing Goal: Enforcement Activities**

**Describe fair housing strategies and actions to achieve the goal**

Action 2.1: Continue to provide investigations and response to allegations of illegal housing discrimination through HRC. Expand legal aid services to support tenants in disputes and ensure access to fair housing resources. Implement anti-displacement measures, including relocation assistance for residents that fall under the City's tenant protection ordinance. This will be done through the City's new housing enforcement unit. Continue to provide information for landlords and tenants on the City's webpage.

**Fair Housing Goal: Monitoring Lending, Housing Providers, and Local Real Estate Practices**

Action 3.1: Continue to provide oversight of non-discriminatory and fair housing language in all City affordable housing contracts and agreements, and continue enforcement of Affirmative Marketing Policies that are required as part of HOME-assisted rental developments.

Action 3.2: Monitor and Evaluate Progress: Continue to conduct community surveys to assess the effectiveness of implemented strategies and identify emerging challenges. Utilize data-driven tools to analyze disparities and guide resource allocation, such as creating a rental registry program.

**Fair Housing Goal: Land Use Policies to Affirmatively Further Fair Housing**

Describe fair housing strategies and actions to achieve the goal

Action 4.1: As mandated under state law and specified within Burbank's adopted Housing Element, amend the Zoning Ordinance consistent with State law to treat transitional and supportive housing as a residential use, and allows supportive housing as a use by right in all zones where multi-family and mixed use is permitted.

Action 4.2: As mandated under state law and specified within Burbank's adopted Housing Element, continue to accommodate emergency homeless shelters as a permitted use in the M-2 zone and conditionally permitted use in the M-1 and BCCM (Burbank Center Commercial Manufacturing) zones. The City further amended the Zoning Code in compliance with AB 139 to limit the required parking for emergency shelters to staff working in the shelter, and not excess of parking required for other residential or commercial uses within the same zone.

Action 4.3: Continue to provide utilization of the City's Inclusionary Housing Ordinance as a tool to integrate affordable units within market rate projects. In addition, the City is currently in the process of updating its Inclusionary Housing Ordinance as market conditions have changed since the original Ordinance was adopted over 15 years ago. One of the changes being contemplated is to allow housing developers multiple options to fulfill Inclusionary Housing production requirements, including allowing moderate income units to address the unmet need for moderate income housing under the RHNA.

Action 4.4: Expand Affordable Housing Supply: State laws have streamlined permitting processes for affordable housing projects to reduce delays and costs. State law allows for the utilization of publicly owned land for affordable developments through long-term leases or sales to nonprofit developers. Continue to provide voucher programs and work with Burbank Housing Corporation to provide affordable housing. Facilitate the process with developers to apply for tax credits and reduced fees, to encourage private investment in affordable housing.

Action 4.5: Provide continuous implementation of the City's Affordable Housing Density Bonus as a means of enhancing the economic feasibility of affordable housing development.

**Fair Housing Goal: Increasing Geographic Choice in Housing**

**Describe fair housing strategies and actions to achieve the goal**

Action 5.1: As funding permits, continue to provide gap financing for affordable housing projects, with special consideration for projects that set aside units for extremely low-income households and persons with disabilities. Continue to provide regulatory incentives such as a density bonus and/or concessions to private developers to increase the supply of affordable housing throughout the community. Continue to support acquisition and rehabilitation activities in Focus Neighborhoods, with an emphasis on community revitalization, integration, and permanent affordable housing.

  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
