

## Public Notice of Environmental Decision

Date Posted: 9/12/24  
Date to be Removed: 9/30/24

Project No. 23-0005597 (Administrative Use Permit)

**Project Title**

755 North Whitnall Highway

**Project Location (Address)**

This notice is to let you know the City of Burbank Community Development Director will be making a decision to approve or deny an application for an Administrative Use Permit (AUP) for a Project that is proposing a new building mounted Wireless Transmission Facility (WTF) consisting of 6 new panel antennas and ancillary antenna equipment located inside of a proposed vertical addition to an existing church steeple, as well as necessary support equipment to be located inside of the existing church building. The subject property is in the C-3 (General Commercial Business) zone.

**Project Description**

Maximize Engineering Group c/o Robert McCormick

**Project Applicant**

Sara Hrynik, Assistant Planner

(818) 238-5250

**Project Planner**

**Phone**

**Director's Environmental Decision:**

**Categorically Exempt**

The project is exempt from environmental review per Section 15301(e) of the California Environmental Quality Act (CEQA) Guidelines pertaining to an addition to an existing structure to accommodate the installation of wireless transmission antennas and support equipment.

**Reasons why the project poses no environmental impact**

Federico Ramirez  
Assistant Community Development Director
