

Public Notice

Proposed building-mounted
Wireless Transmission
Facility located at 755 North
Whitnall Highway.

What is this?

This notice is to let you know the City of Burbank Community Development Director will be making a decision to approve or deny an application for an Administrative Use Permit (AUP) for a Project that is proposing a new building mounted Wireless Transmission Facility (WTF) consisting of 6 new panel antennas and ancillary antenna equipment located inside of a proposed vertical addition to an existing church steeple, as well as necessary support equipment to be located inside of the existing church building. The subject property is in the C-3 (General Commercial Business) zone. This project has been determined to be exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301(e) of the CEQA Guidelines pertaining to an addition to an existing structure to accommodate the installation of wireless transmission antennas and support equipment.

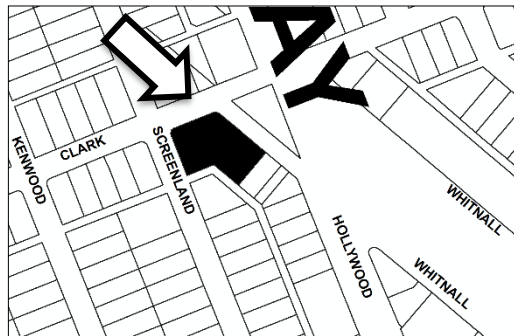

Why am I getting this?

This notice was mailed to all residents and property owners within 1000 feet of the project to solicit input prior to the final decision. You can call or write to provide input on the Project. The Community Development Director will make a decision to approve or deny the project on or after September 30, 2024. You also have a right to appeal the decision within 15 days of the decision date (*any appeal must be filed with the applicable fee no later than 5:00 p.m. within 15 days of the decision date*). To confirm the appeal period, please contact the Project Planner listed below.
