

Public Notice

A request to construct a 2-story building with two residential units (duplex) at 636 North Mariposa Street.

What is this?

This notice is to let you know that the City of Burbank Community Development Director will be making a decision to approve or deny an application for a Development Review. The project proposes to construct a 2,307 square foot two-story building containing two residential units (duplex). Currently, there is an existing 720 square feet one-story single family residential dwelling and a 296 square foot detached garage/accessory structure on the lot that will be demolished to accommodate the proposed Project. The subject property is in the R-3 (Medium Density Residential Zone) and is located at 636 North Mariposa Street. This project has been determined to be exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines Section 15303 (New Construction or Conversion of Small Structures) for a multi-family residential structure no larger than four units, within an urbanized area.

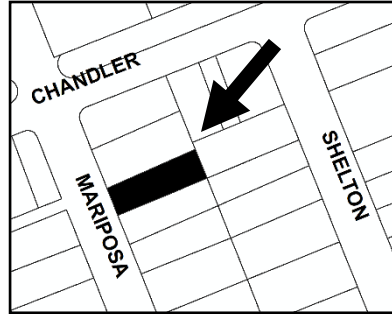

Why am I getting this?

This notice was mailed to all residents and property owners within 1,000 feet of the project to solicit input prior to the final decision. You are invited to attend the community meeting (see details below), or you can call or write to provide input on the project. The Community Development Director will make a decision to approve or deny the project on or after June 21, 2024. You also have a right to appeal the decision within 15 days of the decision date (any appeal must be filed with the applicable fee no later than 5:00 p.m. within 15 days of the decision date). To confirm the appeal period, please contact the Project Planner listed below.
